

Activity Sheet

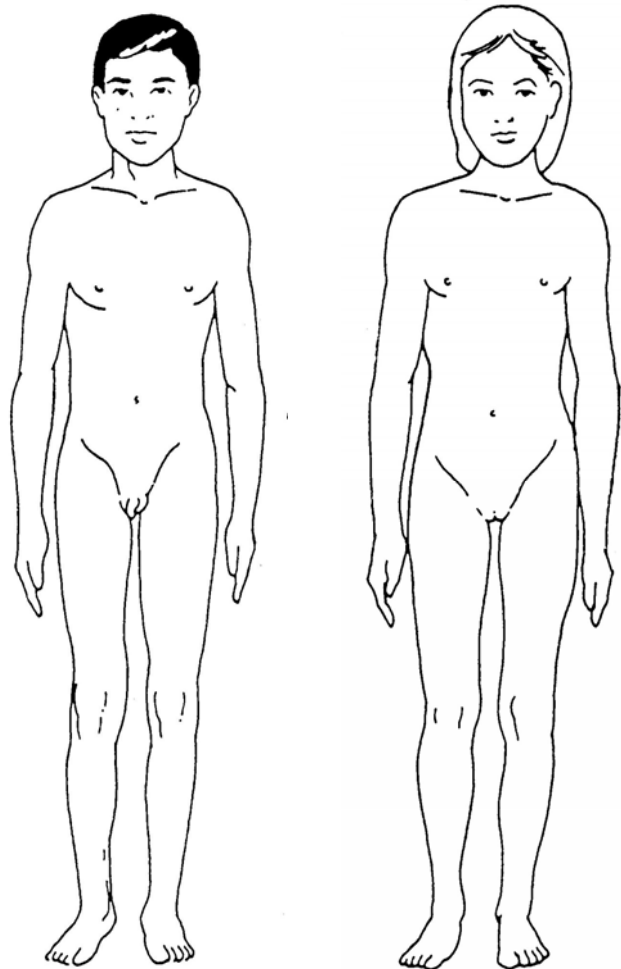

changes at puberty

Can you remember the changes that happen during puberty?

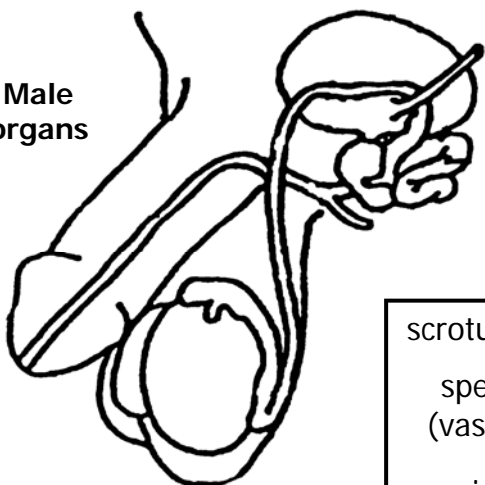

The boy and girl on the right have not yet started puberty. Draw the changes to their bodies that will happen over the next few years.

What are some of the changes that occur during puberty that cannot be drawn or seen?

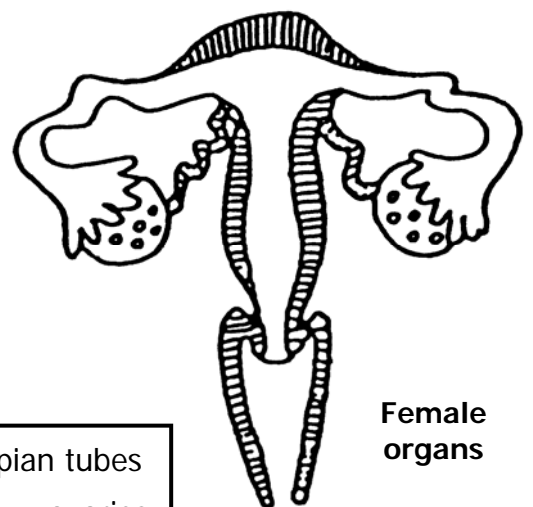

Reproductive Organs

Male organs

Label the diagrams using the words from the word bank

scrotum	seminal vesicles	fallopian tubes	
sperm tubes (vas deferens)	testicles	cervix	ovaries
penis	urethra	prostate gland	vagina
	bladder	uterus	

Female organs
